MOLINE, ILLINOIS – Mulligan’s Valley Pub in Coal Valley is providing a tasty way to support WQPT. On October 25th from 5:00 to 8:00 p.m. everyone who purchases a \$5.00 order of tacos will also be supporting quality television programming and educational outreach projects for WQPT, our area’s local PBS station.

“Viewers, friends and others are invited to show their support for the station while enjoying great tacos that have generously been provided by Mulligan’s and Royal Neighbors of America,” said WQPT General Manager, Rick Best. “Mulligan’s donates 100% of the proceeds for the night to various charities and WQPT is honored to have been chosen to receive this gift” Best said.

WQPT provides educational, public affairs and entertainment programming on its main channel and broadcasts MHz Worldview on its second channel. Both are provided to eastern Iowa and western Illinois viewers 24 hours a day, seven days a week. Membership dollars and special events help provide the funding to support the station.

WQPT is a media service of Western Illinois University located in Moline, Illinois.
