On Friday, January 13, representatives from 3M will present a \$50,000 check to the Family Museum. The money will go towards the Rethink, Reshape, Reinvent renovation project set to begin late 2012. The purpose of Rethink, Reshape, Reinvent is to renovate and reuse the Family Museum's existing 7,100 square feet of exhibit gallery space in order to provide a new set of learning experiences and environments specifically designed to meet the needs of young learners age 8 and younger and their adult caregivers. Leaders from both organizations will be on hand to answer questions.
