Monticello, IA—The Camp Courageous Fruitcake Sale is underway. Over 75 locations have these delicious fruitcakes. Posters will be displayed in the windows of participating businesses or one can go online to get the latest location updates at www.campcourageous.org.

These scrumptious one-pound cakes sell for \$10.00. They do not contain citron or alcohol and make wonderful holiday gifts. They need to be stored, cut and served frozen. Fruitcakes will be sold at the various outlets from November through December. The cakes are also available at Camp Courageous or can be ordered online at the camp website. Camp will ship anywhere in the United States.

Camp Courageous is a year-round recreational and respite care facility for individuals of all ages with disabilities. The camp was built and continues to run on donations, without government support, without formal sponsorship, and without paid fundraisers. The camp will serve over 6,000 individuals with special needs this year.
