Rebuilding Together Quad Cities, a volunteer-based home repair group responsible for more than 775 home repair projects since 1999, will host a trivia night fundraiser on Friday, May 3 at the Knights of Columbus Hall, 1111 W. 35th Street, Davenport, Iowa.

Doors open by 6:30 pm, with play starting at 7:00 pm. Cost to play is \$10 per player.

Players can also increase their chances to win by purchasing mulligans and doublers, or taking advantage of the 'rent a geek' option in latter rounds of play. Teams may bring in their own snacks. All beverages must be purchased from the Knights of Columbus cash bar. Tables of eight are available for reservation by calling [\(563\) 322-6534](tel:5633226534) or emailing reach-us@rebuildingtogetherquadcities.org

Proceeds from the fundraiser, which include 50/50 and basket auctions, will help the organization continue its work by supporting its monthly operational costs. Rebuilding Together Quad Cities, once known as Hearts and Hammers, has provided home repairs at no cost to qualifying elderly, low-income and disabled homeowners since 1999. As a 501c3 organization, donations are tax-deductible to the extent allowed by law.

Rebuilding Together volunteer teams from Home Depot, St. Paul Lutheran Church, John Deere and Rockwell Automated will be working at seven workday sites this spring in Davenport, Moline and Rock Island, with projects scheduled for April 26, April 27 and May 10.

For more information, please call the Rebuilding Together Office at [563-322-6534](tel:5633226534).
