Sponsored by Rock Valley Physical Therapy, CEO Mike Horsfield explains, “Our company has always been a big supporter of the Legends of Iowa Football Camp and the HAVlife™ Foundation. We thought it would be wonderful to provide this experience to our area’s disabled youth. For many, this may be their first time to participate in a football camp, a very memorable opportunity for all of us involved.”

The Legendary weekend will continue with a fundraiser event at Jumer’s Casino & Hotel on Friday evening. Guests will have the opportunity to meet and greet with coaches as well as take photos and get autographs from coaches. The event is open to the public, tickets are \$50. Details are available at [HAVlife.org](http://HAVlife.org). On Saturday, June 15 the 3<sup>rd</sup> annual Legends of Iowa Football Camp will be hosted at Brady Street Stadium. The camp will be for all youth entering grades 5 – 10 in Iowa and Illinois. Details are also available at [HAVlife.org](http://HAVlife.org).

The Legends of Iowa Football Camp program was established by the Iowa Football Club in 2011. The Iowa Football Club is a non-profit organization, whose members are all former University of Iowa football players and football department staff members. The club’s mission is to provide a camp opportunity to help youth be successful on both the playing field and in the game of life. For more information visit [www.legendsofiowa.com](http://www.legendsofiowa.com).

HAVlife™ was established in 2007 in honor of Hunter Aaron Vondran, who passed away at the young age of 13 due to injuries sustained in a tragic accident. The organization serves to prevent lost potential of youth through sponsoring participation scholarships in the areas of music, arts and athletic programs for at-risk youth in the schools and community. To date the foundation has raised and granted over \$350,000. For more information visit [www.havlife.org](http://www.havlife.org).
