Churches United of the Quad City Area is extremely proud and thankful to announce the award of a grant in the amount of \$1,000.00 from the Potter Family Foundation, to be utilized for our shelter ministry at Winnie's Place.

Winnie's Place has served our community as a shelter for women, homeless or victims of domestic violence, with or without children, since 2006. Winnie's Place stands for Women In Need – Nurtured Into Excellence.

We thank the Potter Family Foundation for its support in this endeavor.
