River Bend Foodbank is the largest hunger relief organization in the Quad Cities and surrounding communities, distributing more than 8 million lbs of food annually to more than 300 charitable feeding programs throughout a 22 county service area in Eastern Iowa and Western Illinois. Childhood hunger programs include the Backpack Program which provides up to 1700 Quad City children with nourishing food to take home on the weekends during the school year, the Kids Café Program providing evening meals to children at three sites, and the Mobile Food Pantry which directly feeds thousands of families each month.
