Presidential candidate Herman Cain has received an outpouring of support and a clear vote of confidence from his supporters. In the last 24 hours, the Friends of Herman Cain campaign has had the single best day of fundraising since the start of the campaign.

"Yesterday alone, Mr. Cain received more than \$400,000 in financial gifts from his supporters via online donations and other sources. This level of support is more than the normal monthly average, said Mark Block, Chief of Staff to the Herman Cain presidential campaign. Block continued, "In addition, both Mr. Cain's online giving and phone donations yesterday doubled his normal daily average."
