Cedar Rapids – Showing continued momentum in his campaign for Governor, Tyler Olson today announced the support and endorsement of 29 state legislators. “I am proud to have such overwhelming support from colleagues in the legislature,” said Rep. Tyler Olson. “Together we will build a strong campaign organization all across the state that will bring my vision to begin the next thirty years to Iowa voters.”

“Tyler has been a champion of working families across Iowa and has the experience and vision to make Iowa a better place for the next generation,” said Rep. Chris Hall.

“Tyler’s experience in business gives him the background to lead our state’s economic development efforts. We need to stop focusing solely on attracting the big fish, we need a greater emphasis on innovation, Tyler understands that,” said Rep. Scott Ourth.
