The Quad City Science and Engineering Council is Accepting Nominations for 2014 Awards through January 31, 2014. The 6 award categories are: Junior Engineer (less than 36 years old), Senior Engineer (36 years old or greater), Junior Scientist (less than 36 years old), Senior Scientist (36 years old or greater), Lifetime Achievement Award and STEM (Science, Technology, Engineering and Mathematics) Teacher of the Year. Any technical society, business, organization, or individual may submit as many nominations as they wish. The awards will be announced at the 52nd Annual National Engineers Week Banquet tentatively scheduled for February 20, 2014. The nomination form and more information can be found on our website: www.qcesc.org

Scholarship Applications Available for High School Seniors interested in STEM Degree Due January 17, 2014

The Quad-City Engineering and Science Council, or QCESC, has released its 2014 scholarship application at www.qcesc.org. Applications must be mailed by January 17, 2014. The scholarships will be awarded at its 52nd annual National Engineers Week banquet on February 20th. Last year 11 scholarships were awarded worth \$18,000.

These scholarships are awarded based on academics, extracurricular activities (which include work and community service), and leadership experience. An essay on career goals and why the applicant is interested in a STEM-related field is also required.

High school seniors from Henry, Mercer, Rock Island, and Whiteside counties in Illinois; and Clinton Louisa, Muscatine, and Scott counties in Iowa are eligible to apply. For more information and to download the form, please visit www.qcesc.org
