It was 50 years ago that Arnold Palmer and Gary Player opened Davenport's Emeis Golf Course with an epic exhibition match. That match may seem long ago to those who were lucky enough to see it. But in those last 50 years, Emeis has developed into the City of Davenport's premier golf course, with a layout to challenge even the most experienced golfer of today.

To celebrate the 50th anniversary of this historic match, you can play Emeis golf course for the same price as the day it opened in 1961. On Friday, August 19th only, you can play 18 holes at Emeis for \$1.50! That's right, 18 holes at Emeis for the 1961 price of just \$1.50.

Don't miss this once-in-a-lifetime opportunity. Call Emeis Golf Course now at 326-7825 to book your tee time. Times will fill up fast, so call today and mention the \$1.50 green fees for Friday, August 19th.
