- [Buy OEM Adobe SoundBooth CS4](#)

PORT BYRON, IL - The Nick Teddy Foundation, in partnership with Nelson Chiropractic, is excited to announce its first event, the "Nick Teddy 5K." The event starts at 9:00 AM on Sat., September 15, 2012, and offers a fun day for hundreds of participants and their families.

More than 50 people have already registered to hit the pavement in memory of Nicholas Theodore Strub, 29, a native of Port Byron, Ill., a 2000 graduate of Riverdale High School, and a 2004 Alumnus of Iowa State University in Ames, Iowa. Nick fought a courageous battle against the rare cancer, Ewing's Sarcoma, for more than 5-years.

All proceeds from the "Nick Teddy 5k" will benefit the Liddy Shriver Sarcoma Initiative. The Liddy Shriver Sarcoma Initiative works to award sarcoma research grants to expert investigators around the world. Proceeds from the Nick Teddy 5k will be used for Ewing's Sarcoma research.

You can find us online at: <http://www.NickTeddy.org> , on Facebook (<http://www.facebook.com/NickTeddyOrg>) and on Twitter (<http://www.twitter.com/NickTeddyOrg>).
