We are interviewing for certified and paid soccer coaches to spearhead the inaugural Davenport Arrows Soccer Academy. The Soccer Academy will be run by Davenport Parks and Recreation from March through November with four eight-week sessions at either of our indoor and outdoor facilities.

The goal of the academy is simply to offer quality instruction to produce players who stand out and make a difference. The focus will be on technical skills development. If you are a certified coach, have playing credentials, or have the passion and drive to see soccer played at a very high level from your efforts, we need your expertise!

Please call Seve Ghose, Director of Parks and Recreation at [563-326-7817](tel:563-326-7817) or email sghose@ci.davenport.ia.us to learn more about the Davenport Arrows Soccer Academy.
