ABOUT THE BANDITS: The River Bandits ownership is making one of the biggest improvements to Modern Woodmen Park since the ballpark was first built back in 1931! A new Ferris wheel, standing 112 feet over the playing field, is planned for next spring, along with a carousel and other new games and attractions. This season, the team just unveiled a new 300-foot long dual zip line, a rock climbing wall, a Mediacom Frog Hopper, and a number of new bounce houses . The team also boasts a new major league affiliate, the Houston Astros, and fans can see the first team in Minor League Baseball history with back-to-back No. 1 overall draft picks – 2012 top pick Carlos Correa and 2013 top pick Mark Appel, as well as 2012 first-round draft choice Lance McCullers. With new rides, new attractions, new improvements, a new affiliate and future major league stars, the second half of this season is one every fan will not want to miss!
