If you register before August 1<sup>st</sup>, you will also be entered into a drawing for a free bike from Healthy Habits.

Race Day registrants are not eligible for awards so pre-registration is encouraged.

Carl Schillig was 15 years old when he was killed in a car-pedestrian accident in 1994. Carl was active in a variety of community, school and church activities. In commemoration of his life, the Run With Carl Walk/Run attracts participants to the challenging, but scenic, course following city streets, neighborhoods and the Bettendorf Recreation Path.
