### *The former Econo Lodge converts to a Days Inn*

Heart of America Group announces the opening of the new Days Inn today. Heart of America Group converted its Econo Lodge, located off I-80 and Northwest Blvd, to an official Days Inn property. CEO Mike Whalen announced, "We are proud to have teamed up with the Days Inn, which is part of the Wyndham Worldwide Hotels". The Days Inn will undergo a refresh that includes a newly designed lobby, new room décor, and the addition of a fitness center. Renovations will begin shortly and be completed in time for the busy summer season. "We look forward to a strong partnership between the Days Inn and the Quad City area" says Whalen. The Days Inn is located adjacent to the award winning Iowa Machine Shed restaurant which is also managed and owned by Heart of America Group.
