On Friday, Jan. 20, warm up with Caribou coffee, tea and hot chocolate from 6:30 a.m. to 9 a.m. at Daley Plaza in Chicago for Winter Bike to Work Day.

The first 50 bike commuters who come by the event can choose from either a free bike light or a free balaclava. People can also enter a raffle for a folding bike.

Winter Bike to Work Day, organized by the Active Transportation Alliance, commemorates the coldest day in Chicago history--Jan. 20, 1985--when the official temperature at O'Hare International Airport was 27 degrees below zero.

Jan. 20 also marks the opening of registration for one of the best bicycle rides in the nation, MB Financial Bank Bike the Drive. Get a jump on your summer by signing up for this world-class bike ride, to be held on May 27. Save \$10 when you sign up for this Active Transportation Alliance fundraiser between Jan. 20 and Feb. 6 at [www.bikethedrive.org](http://www.bikethedrive.org).

The Active Transportation Alliance is a non-profit, member-based advocacy organization that works to make bicycling, walking and public transit so safe, convenient and fun that we will achieve a significant shift from environmentally harmful, sedentary travel to clean, active travel. The organization builds a movement around active transportation, encourages physical activity, increases safety and builds a world-class transportation network. The Active Transportation Alliance is North America's largest transportation advocacy organization,
