About the Missouri Division of Tourism

The Missouri Division of Tourism (MDT) is the official tourism office for the state of Missouri dedicated to marketing Missouri as a premier travel destination. Established in 1967, the Missouri Division of Tourism has worked hard to develop the tourism industry in Missouri to what it is today, an \$11.2 billion industry supporting more than 279,000 jobs and generating \$627 million in state taxes in Fiscal Year 2011. For every dollar spent on marketing Missouri as a travel destination in FY11, \$57.76 was returned in visitor expenditures. For more information on Missouri tourism, go to www.VisitMO.com.
