Friends, you have one more chance to get in on a savings opportunity for a river cruise in Germany. Our travel agent dropped by to say that we should notify our members/friends that our River Cruise for 2015 still has 15 spots available and that the cruise line is still honoring the original discount of 10% off with a \$250 down payment and payment of insurance by May 1. Interested travelers should contact Linda Meadors (all details are on our website).

The GAHC Heritage Motor Coach Tour is also still accepting travelers; no discount.
