WHAT: The Davenport Chick-fil-A® restaurant on E. 53rd Street will host a date night for mothers and sons ages 3-13 on Saturday, June 4 from 4 to 7 p.m. The free event aims to provide mothers with an opportunity to bond with their sons in a special setting.

Mother-son couples will walk the red carpet and be treated to tableside service. Tables will be decorated with white linens, candles and fresh flowers.

The restaurant team will give sons roses to give to their mothers as well as goody bags with a Mini Plush Chick-fil-A “Eat Mor Chikin®” Cow and offers from L’il Mississippi Golf, Maggie Moos and Michael’s Fun World, which they may use to continue the date after dinner. CCI Studio will be on-site to provide photography and will give each mother-son couple a complimentary 4x6 photograph.

“We invite the Davenport community to join us for a magical evening for mothers and sons to spend quality time together and enjoy a delicious meal,” said restaurant Operator Jeremy Tatman. “Our team at Chick-fil-A and the other sponsors have worked hard to put together a special evening for families in our community.”

Reservations are required with seating times every half hour beginning at 4 p.m. To make a reservation, visit the restaurant’s website at www.cfarestaurant.com/davenport/events . Space is limited.
