Dos Amigos now has their Lunch Truck, or Taco Truck if you will, at the corner of 4th and Warren streets on the edge of downtown Davenport Mondays thru Fridays from 11am until 2pm. They offer steak tacos, tortas and carnitas at a very reasonable price. All meals include rice and beans. Beverages are available.

Dos Amigos fills the need for quality Mexican food at lunchtime for the hundreds of folks who work in downtown Davenport, plus all the others that drive along 4th Street during the lunch hours.
