Sawyer Beef is local grown Black Angus beef from Princeton, Iowa. A family farm that is 5 generations strong raising some of the best beef this side of the Mississippi! **We now have Grass Fed beef raised on rotational pasture grazing.**

- Sawyer Beef is Beef without routine antibiotics, hormones or preservatives!
- Sawyer Beef is locally raised on our Quad City area farm.
- Sawyer Beef is federally inspected for meat sold outside of Iowa and state inspected for meat sold in Iowa.

We have all retail cuts and sides of beef available for purchase at the farm, several farmer's markets and grocery retail locations around the Quad City area.

We now have ¼ Beef Bundles available. [Click here to learn more about the Beef Bundles.](#)

Visit us online at www.sawyerbeef.com

Thank you for choosing buy locally and support local farmers and the local economy.
