The Iowa Restaurant Association is hosting 5 regional mixology competitions, the third of which will be held July 30 at Van's Pub & Pizza in Davenport. The top two contestants will advance to the state final competition. The past two reigning champs advanced from the Davenport region.

Everyone is welcome to watch and taste. A few competitor spots are still available. A few competitor spots are still available for this competition. If you've got what it takes, register today at www.restaurantiowa.com and prove that you are a master of mixology.
