New at Carl's Jr. and Hardee's, Fresh Baked Buns are premium buns baked fresh inside the restaurants every day. The bun dough is given time to rise or "proof" and is then baked, cooled, sliced and served. Guests will notice the buns are denser, a little sweeter (bringing out the flavor of the charbroiled 100 percent Black Angus beef patties) and, of course, baked fresh, then grilled so that each one is served perfectly hot, soft and delicious. They are now served standard on all Six Dollar Thickburgers at Carl's Jr. and 1/3lb. Thickburgers at Hardee's.
