WHERE: The Viking Club Banquet Hall - 1450 - 41st Street, Moline

WHY: **Alternatives' Money Management Program** is a service for limited income seniors who need help managing their finances

.

Funded in part by the Illinois Department on Aging and insured by AARP, pre-screened and trained volunteers are matched to seniors to help them balance bank accounts, pay bills and manage budgets when these tasks become impossible due to aging issues; such as, dementia or cataracts. Through personal visits, these volunteers help keep seniors on track financially to avoid potential crisis situations like power shutoffs, eviction, or institutionalization. Program volunteers are always needed and those interested can call 309/277-0167 or 800/798-0988.

About Alternatives: Moline, Illinois-based Alternatives for the Older Adult serves eleven counties in western Illinois and Scott County, Iowa and promotes the independence and quality of life for older adults and their families through care management services, caregiver support programs, client advocacy and protective services. AFOA is a place to start to find answers and arrange care for older adults.
