Skip-a-Long Child Development Services to Hold “Chop House Challenge!” Fundraiser

Skip-a-Long Child Development Services, a non-profit organization dedicated to providing high-quality, accessible care to all children regardless of financial means (since 1970) will be hosting a fundraising event on October 17, 2011.

The Chop House Challenge will take place at Bass Street Chop House in downtown Moline from 6pm – 10pm, and supporting your local non-profit has never been so delicious! Anyone can participate; all you need to do is bring your appetite.

The public is invited to simply make a reservation at the restaurant for the evening of Oct. 17th, and let the restaurant know you are coming to support Skip-a-Long Child Development Services. Then come to the restaurant that evening and eat out as you would for any other night on the town, and Bass Street Chop House will automatically donate 10% of the ENTIRE evening's profits to Skip-a-Long!

Enjoy one of Bass Street's signature Delmonico steaks, sip a glass of wine, and support quality child care in the Quad Cities all in one night!

A little Extra Incentive:

Bass Street Chop House has generously agreed to donate a \$50 gift card to the restaurant as
