Are you looking for a beautiful way to spend a Wednesday morning? Join Davenport Parks and Recreation at the Conservatory in Vander Veer Botanical park for our Senior Coffee. This informal program is designed to encourage senior citizens to visit the warmth of the conservatory during the colder months and enjoy the color and fragrance of beautiful flowers.

On October 12, participants will be able to enjoy the Fall Color Show from 10 am - Noon. The cost for the program is \$1 and each participant will have the opportunity to experience the sights, sounds and fragrances of the colorful and vibrant plants.

Preregistration is not required, for further information, please call, 326-7812.
