Fear not, for in Life Is Too Short: Life Is What We Make It, author David Dorris shows you how to approach life's problems and that making the right choices is easier than you think. Life is like a baseball game where the pitcher is constantly throwing you curveballs. As this is the case, do you want to simply be a spectator, or do you want to get in the game and face life head-on? Although it may sound simple sometimes, life is not an easy game to play. There are many challenges to overcome and many choices you have to make. None of you have a choice as to how you come into the world; however, you do have a choice as to the kind of life you live. Follow David in Life Is Too Short: Life Is What We Make It, and find out for yourself how you too can knock life's curveballs out of the park.
