Visitors can explore agriculture and weather in *Amazing Acres* by making a cloud, touching a tornado, driving a John Deere combine, and shopping in the Amazing Acres Market. Little ones can play safely in *PlayHouse* by creating a meal in the Alphabet Kitchen, interacting with the virtual pond, and playing house.

Busy Bodies

has a large heart that visitors can walk through, and the rhythm of the heart may inspire some visitors to create their own rhythms in

Rhythm Alley

with a pentaphone. There is so much to do at the Family Museum!
