Two Rivers

From the Amazon

to the Great Mississippi

Fishscale Girl's Adventures at Vander Veer Botanical Park

Explore the delicate balance of nature through a variety of exciting summer programs being held at Vander Veer Botanical Park.

Fishscale Girl, a small doll made from an actual fish scale, is the main character in a series of pictures.

Kickoff Event

Other programs featuring Fishscale Girl

Check out "Let's Go Outside" backpacks from The Conservatory at Vander Veer. These backpacks feature lessons that take visitors throughout the Park and Conservatory.

Enjoy The Conservatory display, featuring an Amazon Tropical Rainforest Birds display, as well as a Disaster Scene from the Fishscale Girl series.

Experience the popular park programs My Little Wheelbarrow on July 11 and 18 @ 10am at Vander Veer Playground, and Wild Walks in the Park on July 16 at 1pm. These programs will feature Fishscale Girl in their lessons.
