On behalf of the Audubon Society, we would like to invite you to attend the first-ever Mississippi Flyway Fall Migration Tour.

The tour will be stopping in your area tomorrow night, and [we hope you can make it!](#) Here are the details:

**When:** Thursday, October 11th from 7-9pm

**Where:** Butterworth Center

1105 8th Street

Moline, IL 61265

[Click here to RSVP.](#)

The Quad City Audubon Chapter meeting will be open to the public, and will feature a very special guest. Stephanie Powell, Field Director for the Mississippi River Delta Restoration campaign, will be joining us all the way from Washington, D.C.

Stephanie will be speaking about the Mississippi River Delta restoration, the importance of implementing the RESTORE Act to help the Gulf Coast recover, and — perhaps most importantly — **the role you can play in helping to protect the Mississippi Flyway, and ensuring that it continues to provide a healthy habitat for the birds and wildlife we all love.**

We hope you'll be able to attend the event. [Please click here to RSVP, and Stephanie will be in touch!](#)
