Many items will be up for silent auction(bidding from 6-9pm) and donations accepted to help this beautiful family with medical and other expenses!

Danielle and Matt are high school sweethearts who are deeply connected and always loving and supportive of one another. Matt is the kind of person who uplifts everyone he comes in contact with by making them laugh. Danielle overflows with compassion for others, which has led her down the path to becoming a nurse.

On January 30th, Danielle suffered a cerebral arteriovenous malformation (AVM) rupture. She was immediately taken to the University of Iowa Hospital for neurosurgery to relieve pressure to her brain and stop blood flow to the AVM. Danielle has started responding to requests to move her toes, fingers and even gave a "thumbs up". She has a lengthy recovery process ahead and any support by way of donations, thoughts, and prayers are greatly appreciated!
