Tour kickoffs in Rock Island; will be joined by Rep. Bustos

Washington, D.C. – Congressmen Dave Loeb sack and Bruce Braley will tour along the Mississippi River to meet with local officials and discuss the importance of locks and dams, as well as flooding issues, **TOMORROW, April 30th**. They will kick off the day in Rock Island, where they will be joined by Rep. Cheri Bustos for a press conference after they tour Lock and Dam #15. Loeb sack and Braley will continue down the river with stops in Muscatine, Burlington and Ft. Madison.
