## May 11th is the Outdoor Market Grand Reopening celebration!

We will be open this Saturday May 4th, however the weather has changed our festivities to May 11th.

Our outdoor vendors have been busy all spring planting, transplanting and potting all of your favorite items.

Or, for some excitement, enjoy the marching band play as you select from the great variety of fresh fruits.

Mothers day is fast approaching , and it is the perfect time to start your own garden, whether a flower garden or vegetable garden.

## Bring the kids; let them enjoy life like a farmer!
