What Cheer Walk— Keokuk County Fairgrounds, 8:30 am registration-walk begins at 9:00 am.

The 2013 walk celebrates fourteen years of walking and fundraising to fight SIDS and SUID in Iowa. The purpose of the walk is to raise awareness about Sudden Infant Death Syndrome (SIDS) and SUID while raising funds for the Iowa SIDS Foundation. Sudden Infant Death Syndrome is the sudden, unexpected and unexplained death of an otherwise healthy infant up to the age of one year. The annual walk is a family orientated event for SIDS and SUID families to celebrate and remember those babies that were only with us for a very short time, and for community members to show their support.
