July 18th. 2013 Independent Scholars' Evenings. 7:00 p.m. Doors open at 6:30 p.m. "BORN INTO BROTHELS"

This Oscar-winning 2004 documentary investigates a red-light district in Calcutta, where filmmakers gave cameras to the children of sex workers in the hope of capturing a perspective of the city not often seen. The resulting photo portfolio became a European art show, the proceeds of which funded educational opportunities for the photographers, presenting dilemmas to the families of the recipients. Post-film discussion will include recent updates on the activities of the children.
