 - [Discount - Lynda.com - HTML5: Web Forms in Depth](#)

Continuing the discussion of some of the current and potential earth changes being tracked by a multitude of internet observers and a brief review of some time cycles theory. It is not necessary to have attended the first session to attend.

By:

Michael Rosenthal is an Independent Scholar. He has completed extensive graduate work in philosophy, religion, and psychology from the University of Iowa and in his independent study.

Independent Scholars' Evenings :

Doors will be open at 6:30 p.m.

We continue to meet on the 2nd. Floor of the Moline Commercial Club.

The event is free and open to all.

Light snacks and wine, and beverages are provided.

A cash bar is available.
