We would like to invite you to: Waxing Encaustics by Helen Boyd & Jacki Olson December 18 - January 29, 2010

Opening Reception: Friday, December 18, 2009 6-9PM

boyd & olson_fine art

Bucktown Center for the Arts

225 E. 2nd Street, Suite 201B

Davenport, IA 52801

The December show consists of new works and finished works at boyd & olson's art studio.

In the coming months, the studio will continue to explore the encaustic medium with all its potential and versatility.

While Helen has been getting "set-up" in the studio, Jacki has been "waxing" the encaustics!

If you missed Final Friday last month, here is your chance to see Helen's encaustic workshop pieces

and Jacki's continuing exploration of the medium.

Check it out!
