Davenport, Iowa - August 2011 -The Figge Art museum will host River ARTS Live, a free walk-in art project at River Roots Live on Saturday, August 20 from noon to 6pm. Event attendees are invited to stop by the Figge's art tent in the Junior Jam area to create sculptures out of plastic materials recovered from the Mississippi River during Living Lands and Waters' XStream Cleanup. This art activity is inspired by the work of artist [Aurora Robson](#) , whose intricate and colorful sculpture

Up Drop

is currently on display in the Figge lobby. Robson up-cycles everyday waste to create intricate and brilliantly colored hanging sculptures. The Figge's fall exhibition,

Everything, All at Once, Forever

, will feature additional original plastic debris sculptures by Robson.

The outreach program is sponsored by Iowa American Water, and is offered in partnership with [Living Lands and Waters](#) and the [QC Chamber](#)

The Figge Art Museum is located on the riverfront in Downtown Davenport at 225 West Second Street. Hours are from 10 am to 5 pm, Tuesday through Saturday, Sundays noon to 5pm and Thursdays 10 am to 9pm. To contact the museum, please call [563.326.7804](tel:563.326.7804) , or visit www.figgeartmuseum.org
