Augustana Professor Allen Bertsche will share his reflections about how art can give our personal spiritual journeys a visual language, in a series of four classes called Faith Journey through Art on Tuesdays, November 22 and 29 and December 6 and 13 at the Unitarian Universalist Congregation, 3707 Eastern Ave., Davenport. The classes will be from 7 to 8:30 pm. The discussion will include the topic of how we can “read” works of art for their life-affirming messages. For more information, contact the Congregation secretary at [563 359 0816](tel:5633590816).
