Tour the blossoming gardens and lush terrain during **Brucemore in Bloom – Thursday, May 30 at 6:00 p.m.** Trace the development of the gardens from the original plan conceived by prominent landscape architect O.C. Simonds to the integration of function, recreation, and entertainment in Irene Douglas's vision for the country estate. View current plants and landscape techniques that continue to help preserve the historically accurate, prairie-style design by Simonds. Admission is \$15 per person and \$12 per Brucemore member. Space is limited; purchase tickets online at www.brucemore.org or by calling [\(319\) 362-7375](tel:(319)362-7375)

The Brucemore in Bloom Tour is part of Brucemore's Thursday Night Lineup. Every Thursday night Brucemore will feature a different specialty tour focusing on topics for all interests, including arts and culture, Midwestern industry, gardening, landscape design, architecture, preservation, behind-the-scenes at Brucemore, and growing up in the early twentieth century.
