SPRINGFIELD – May 10, 2012. Governor Pat Quinn today issued a statement regarding passage of Senate Bill 1313:

“I am encouraged that legislators have taken this step towards restoring fiscal stability to Illinois. This legislation will help ensure that our retirees continue to have access to quality health care, while also lowering the cost to taxpayers.

“I would like to thank Senate President Cullerton, Senate Minority Leader Radogno, House Speaker Madigan and House Minority Leader Cross for their collaboration and leadership. I plan to sign this legislation and look forward to continuing to work together to make the difficult decisions necessary to return Illinois to sound financial footing.”
