PORT BYRON, IL - The Nick Teddy Foundation, in partnership with Nelson Chiropractic, is excited to announce the “Nick Teddy 5K.” Hundreds of registrants are expected to hit the pavement in memory of Nicholas Theodore Strub, 29, who fought a courageous battle against Ewing’s Sarcoma for more than five years. Only 250 cases of Ewing’s Sarcoma are diagnosed every year in the U.S. The foundation’s goal is to carry on the fight against Ewing’s Sarcoma in honor of Nick Strub.

The Nick Teddy Foundation is pleased to launch its website and officially open race day registration:
