The Rock Island Arsenal Welcome Club (RIAWC) Community Support Chairperson is accepting funding requests from area nonprofit organizations until April 1, 2013.

A fundamental principle of the Rock Island Arsenal Welcome Club is to generate funds to support philanthropic endeavors within the Quad-Cities metropolitan areas. Money for the Community Support fund is raised through club activities such as the Arsenal Attic and other fund raisers. All nonprofit organizations including those who have never received RIAWC funding in the past are welcome to apply.

Interested applicants may download an application from the RIAWC Web-Site, (www.riawc.org).

They are also available at the RIAWC Arsenal Attic on Tuesday's or Thursday's from 10:00a.m.-3:00p.m.
