Greetings Friends of THE CURTAINBOX, I am sending this out to all the actors I know letting you know that I have two fabulous projects ahead that I am casting. One is a feature film and the other is a training video project. Both projects have fabulous roles for actors of all ages and all roles are PAID. I need a headshot and resume sent to me in email form if you are interested in being considered for these projects. Right now, principal photography looks to start sometime in May and will be primarily shot in the QC. We are beginning preliminary casting now. I will be looking for all ages, types and ethnicities. Send me your most current headshot and resume to: Kim@thecurtainbox.com Thank you so much!! Always a pleasure putting fellow actors and students of mine to work! If you know other people who may be interested in submitting for these projects please feel free to forward this message on.
